What will happen to Cinderella at the ball ... game? That's the surprising climactic question in this contemporary Latin-American musical, which delightfully turns the classic fairy tale on its head, telling the story from both Cinderella and the "stepsister's" perspective. Cinderella, a newcomer from Puerto Rico, comes to visit her "stepsister", Rosa, in the United States. The catch ... Cinderella only speaks Spanish and Rosa only speaks English. Will these two girls be able to reach an understanding at the (basket)ball game? With a fairy godfather and other delightful twists to the original story, *Cinderella Eats Rice and Beans: A Salsa Fairy Tale* crosses language and gender barriers, weaving a subtle lesson on empathy, sportsmanship and respect.
