Mowgli is rambunctious and curious, scrappy and silly. Sound like a kid you know? This new adaptation of the beloved Rudyard Kipling story finds a child lost in the Indian jungle, where he is adopted by Baloo the Bear, Bagheera the panther, and all the beasts who call the mysterious wilderness home. This fast-paced retelling keeps you perched on the edge of your seat as young Mowgli comes face-to-face with sneaky monkeys, noisy vultures and his mortal enemy: the tiger, Shere Khan. Growing up in the dangerous Indian jungle, Mowgli must discover what family and friendship really mean.
